Bexley Light Car Club **Championship Point Scoring & Eligibility**

- Association of Central Southern Motor Clubs (ACSMC)
- Association of South Western Motor Clubs (ASWMC)
- East Midlands Association of Motor Clubs (EMAMC)

These Associations serve a number of administrative purposes, such as exchange of information about events, and as a link with the MSA to represent concerted views on matters of common interest.

For the various club members, however, the main benefits arise from the different championships run by each Association. In each championship some form of registration is required, details of which can be obtained from the competitions secretary.

Apart from the chance of winning one of the Association championship awards, the main benefit to the ordinary club member is the ability to enter any championship event, even if the club is not invited. This gives a considerably wider scope of events over a large part of the South and East of England, all of which count towards the various BLCC club Championships.

Details for qualifying events for Association Championships will be published from time to time in the BLCC magazine. Please make sure that you obtain and read your copy.

Names and addresses of the various secretaries can be obtained from the Competitions Secretary.

3. THE WEALD MOTOR CLUB

Bexley Light Car Club Ltd is also a member of the above named club and as such this entitles our entire club membership to participate in any event organised by the Weald Club.

The Weald Motor Club, which comprises of most if not all of our neighbouring car clubs, enables a much broader range of Clubman type event, 12 cars, scatters, autotests and production car trials. Results in these events qualify for the BLCC club Championship awards.

If members need any information regarding the Weald Club, their rules, or any event dates, Please contact the competition secretary.

4. BEXLEY LIGHT CAR CLUB (LIMITED)

4.1. General Championship Rules

The championship season will run from the 1st January to the 31st December each year.

Contenders must be full members of Bexley Light Car Club Ltd. The onus is on the contender to ensure that the competitions secretary has a copy of results for events from which the championship tables will be compiled. Tables will be published in the dub magazine at regular intervals.

Claims for omissions, errors, etc. will not be acceptable after one calendar month of the publication of the tables in the magazine covering the relevant period. The qualifying period for claims, etc., after the final tables have been published is two weeks. The final tables will be posted in the clubhouse on the first club night of the New Year.

Only the secretary of the meeting (not entries secretary), clerk of the course, PR officer and chief marshal constitute an organiser of an event for the purpose of claiming championship points.

Any query as to the interpretation of the rules for the various championships will be referred to the committee of Bexley Light Car Club Ltd. for a ruling, which shall be final and binding. The committee reserves the right of adjudication.

Rules for individual championships supersede all previous editions and apply from 1st January 2005.

No championship award, other than marshalling trophies may be won solely on organiser's points.
